

Mystery Babylon...Gateway of the Gods.

By Orlando Mostert
Kingdomvision.co.za

We need to understand what "Mystery Babylon" really means if we are to wage spiritual warfare...and thereby recognize the signs in the world of where Babylon has established its kingdom.

Anyone who has ever read the Bible with an interest in prophecy has read commentaries on Rev.17...the great harlot who filled the earth with sorceries and fornication and had on her head written "MYSTERY, BABYLON THE GREAT THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH."

This is a fascinating topic actually. All sorts of speculations about who the harlot is and what does Babylon stand for. But scripture warns us that we need to tread carefully ...there lies a deep mystery here. Prov. 25:2 tells us that *"it is the glory of God to hide a matter but the glory of kings to search it out."* So allow me to give you an interesting clue to unlock this mystery of iniquity and lets see where it leads us.

To unlock the mystery of "Babylon" you need to understand the real meaning of the name "Babylon"....which will give us great insight as to what is going on in Babylon both in ancient times as well as Babylon today.

The problem about the name is the confusion in most Bible commentaries about the origin and meaning of the name. They assume that the name is derived from Nimrod's Tower of Babel. And that word "Babel" comes from a Hebrew root "Balal" meaning "to mix up" as in the confusion of tongues. And so when you read any Bible dictionary or prophecy commentary this idea is carried over in their interpretation of the meaning of "Babylon"...."confusion".

This however is incorrect and it hides the real mystery in "MYSTERY BABYLON". I only recently discovered the real meaning of the word from two books by secular authors writing on the history of Babylon that I bought some years ago...and it was an amazing eye opener to me as it will be to you and I was able to very quickly see the real signs of "Mystery Babylon" in some very suspect places...such as Hollywood!

The two books for your reference are Anton Gill's "The Rise and Fall of Babylon: Gateway of the Gods" and Paul Kriwaczek's book "Babylon: Mesopotamia and the Birth of Civilizations.". Both say the same thing about the meaning of the name but let me quote from Kriwaczek's book page 167...

" The name (Babylon) derives from a Greek version of the Akkadian version....Bab-llu, meaning "The Gate of God".

Now here is a very important point you must understand....

In the world today there are people seeking power and influence and access to secret knowledge who willingly go to gates of hell that have been opened so they can access occult power.

I am going to only give you three examples but there are many more. Keep in mind that just as we are required to witness for Christ in this world so the demonic gods people call upon require sacrifice, public acknowledgment through signs and worship.

My three examples are:

- Hollywood and the world of entertainment.
- London and the world of finance
- Joseph Smith and the world of religious cults.

There are many more but these examples will give you an idea how Babylon and tge gates of hell operate....

Hollywood and Babylon's Gate

When the gates of heaven open and the Lord God moves on the earth you will see signs and wonders.

When a gate of Babylon opens up you will see signs and wonders.

Ancient Babylon had a very famous gate called the Ishtar Gate where the royal processions went through. The German archaeologists of the 19th century did great excavation work to unearth the marvels of ancient Babylon and actually dismantled this wondrous gate and set it up in Germany.

And Hollywood copied it for the most important event of their year: The Annual Academy Awards.

You know the famous "red carpet" that all the stars walk on before entering the auditorium? Each one decked out in their finest, camera's flashing, crowds clapping and praising. What you don't see is where they must pass through. Let me give you a photo of the red carpet walk of the stars...they must pass through Babylon's Ishtar gate before they can have the adulation of the crowds lining the red carpet.

And when they win the highly coveted "Oscar" they are universally acclaimed as Hollywood "stars" and "idols". Here is Oscar and his Babylon idol predecessor...

On the left is a statue of the ancient god Ptah, the god of "craftsmen" (as in Hollywood actors always talking about their "craft") and on the right a statue of Osiris which in Egyptian was called "Ausur"...and why the current idol is called "Oscar".

This is nothing more than a resurrection of ancient idolatry ("Hollywood Idols"). Hollywood and its "entertainment" industry has been one of the most powerful means for spreading the enchantment of wickedness in all its forms.

I will from time to time make some analysis of the wickedness coming out of that gate of Satan in future blogs.

I believe it is imperative that we as God's people understand the spirit behind this and guard our children and our cultures from its deceptions. This is not innocent entertainment. These are optically manufactured signs and wonders crafted to mould your mind and thinking processes to fill your thoughts with wickedness by getting you to emotionally identify with wickedness and call that which is evil, good.

Jesus declared open warfare against these gates of hell when He said I will build my church and the gates of hell (i.e. Babylon) will not prevail against it. In ancient Babylon held captive Daniel, Ezekiel and their friends. They were offered the enchantments and luxuries of Babylon....all they had to do was bow and worship Babylon's gods. They refused and were thrown in the fire and to the lions. Bu they prevailed and through their spiritual warfare they opened the gates of Heaven and manifested the Lord Jesus to the astonished lords of Babylon, such that all Babylon had to acknowledge the Lord God of Israel.

In such a time we have now entered. This is no time to be enchanted and seduced by the gods of Babylon. It is time for spiritual warfare to close these gates of Babylon and open the gates of Zion and manifest the presence of the Lord Jesus Christ on earth!

The City of London Corporation...financial power.

In the powerful world of international finance everyone knows about "The City". Within London there is a small legal entity called "The City of London Corporation". It has its own mayor and aldermen. It is not under the crown rule of England. It is many centuries old. The Queen of England ceremonially always asks permission to enter "the City".

Around the world there are a number of these quasi-legal small patches of territory that in the spirit realm are what Paul termed "principalities" from which various forms of "powers" operate from.

The City of London Corporation : A world centre of financial power.
Vatican City : A world centre of religious power (and lots of financial power)
Washington District of Columbia : A world centre of political and military power.

All such principalities of power have their symbols of ancient "high places". The dome and the pillar is an ancient symbol of the gods. All gods require to be acknowledged by signs....they are terrible in their fury if they are ignored.

All those who want to have access to real power and influence in this world of darkness soon realize that they must acknowledge the ancient gods in some way or else their careers, their powers, their influence is take away from them.

You will see this in the world of mega-finance, power politics, Hollywood.....

Lets have a closer look at the secret symbols of the "high places" of the city in acknowledgment of the gods of money power in "The City".

As in most "high places" there is always some connection in ancient tiles to pagan temples and sacred groves...the same with the City. This is an ancient map of the boundaries of "the City".

It was demarcated by the Roman priests of the god Mithras and named "Londinium" and a temple to Mithras erected in the centre (called a Mithraeum) This Mithraeum was discovered in excavations made in 1954 and now being restored into a museum in the heart of "The City".

In the heart of "the City" as in most "principalities of power is the "dome and the obelisk" which is sacred to the gods. Below is the dome of St. Paul's cathedral and it's obelisk. You will see the same symbolism in front of the Vatican and in Washington DC with Capital dome and the Washington monument obelisk. These come from the gods of Egypt.

The Obelisk above stands in "Paternoster Square" The arch or gate above is also on Paternoster Square and is known as the "the Temple Bar" which is the "Bar" to which all lawyers are called....to the "Bar".

Paternoster Square

The "Paternoster" is a well known Latin term meaning "Our Father". However if you are thinking that since this Paternoster square is there with St. Paul's cathedral it must be referring to our Lord's prayer "Our Father which are in heaven...." you would be greatly mistaken.

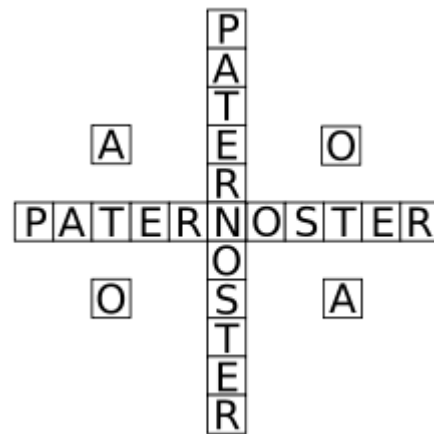

The "Paternoster Square" is actually an ancient Roman "magic square". Magic square's originated in ancient Babylon. Which is why there is a "gate of Babylon" in Paternoster Square. The "Our father" here is a prayer to Mithras for good luck and fortune.

A Paternoster Square was popular in ancient Rome as a magic amulet to ward off evil and bring good luck. It worked like this....

The **Sator Square** (or **Rotas Square**) is a word-square containing a five-word Latin "palindrome"... (all the words are repeated in each line)

S A T O R
A R E P O
T E N E T
O P E R A
R O T A S

It was found written on walls in Rome and Pompei..

All the letters of the "magic square: of five words are then rearranged to form exactly a "Paternoster Cross" with the letters "A" and "O" remaining (Alpha and Omega). This was a magical "Paternoster Square".

The concept of the magical arch and magical square came from Babylon with their famous 666 magical amulet square....

The Number of the Beast of Babylon 666

The ancients claimed that God works by mathematics. Their religion was a conglomeration of religion, astrology, alchemy, physical and mental science, and mathematics. Ancient astrology divided the starry heavens into 36 constellations. These were represented by different amulets called "Sigilla Solis," or the sun seal. These amulets were worn by the pagan priests, and they contained all the numbers from 1 to 36. By these figures they claimed to be able to foretell future events. These amulets were usually made of gold, yellow being the sun color. While being carried, these amulets were wrapped in yellow silk, as it was thought that the bearer would

thus receive the beneficial powers believed to emanate from the jewel.

These drawings from photographs taken in 1910, show actual amulets then in the Berlin Museum. They reveal the veneration the ancients had for the sun-god. On the front side of No.1 we see the god of the sun standing on the lion. This indicated the sun's position in the constellation of Leo during the hot days of August. On the back is inscribed "Nachyel," meaning "intelligence of the sun," and in 36 squares are arranged the numerals 1 to 36 (see table 1) in such a way that adding the numbers of any column either horizontally or vertically, and also the two diagonals crossing the square, the total is the same- 111. The sum of the six columns, computed either horizontally or vertically, is 6 x 111, or 666.

Thus in the centre of "The City" of London, the centre of world financial power the gods of both Egypt and Babylon are acknowledged and offered praise and obedience to....

But here is the good news....

The Lord God who rules over all is bringing down the temples and power centres of the gods of this world. Their time of rule and power are over. The time has come for the saints to possess the Kingdom.

Watch the powers of the City of London shaken and broken in the years to come. Watch God's wrecking ball in Washington and the Vatican going about their business of breaking the powers of these ancient "high places".

Joseph Smith and Religious Deception

One of the favourite ways for opening a Babylon gate to the occult world is by ceremonial magic.

The Occult Origins of Mormonism

For those interested in a more complete historical narrative from which I am taking this information I can highly recommend Peter Levenda's book, "The Angel and the Sorcerer: The Remarkable Story of the Occult Origins of Mormonism." The background to the origins of Mormonism is fascinating but I will give a brief description to illustrate how gates of hell are opened.

Remember the scripture I gave you from Deut. 18:10-11 where God forbids the Israelites to dabble in occultism, **"There shall not be one found among you...who uses divination, or who deals with omens and augury, or a sorcerer employing incantations or one who has in him a divining spirit or an observer of signs or questioning the dead."** Joseph Smith, the founder of Mormonism did just about all the above! The reason the Lord forbade those practices are because they open the gates of hell that allow demonic entities entry into this world to wreak havoc.

But why do people go seeking to open these gates? Simple. Its an old deception of satan. "You shall not die, you will be like God"; to others it is the promise of power, "see all these kingdoms, worship me and I will give them to you", to others it is the alchemist dream of turning lead to gold or to Jesus turning stones to bread, or today the keys to untold wealth by turning paper into money and thereby acquiring untold wealth; for others it is the desire to enquire of the dead to find out their destiny or secrets or knowledge of the future. There is always a pot of gold at the end of the rainbow (which disappears when you find it) or a dragon guarding the treasure that needs a great sacrifice for his great riches. And in the end it is your integrity, your morality that must be sacrificed (usually through unspeakable acts of debauchery or cruelty) and ultimately the sacrifice of innocent life as in child pornography, paedophilia or even child sacrifice.

Joseph Smith used a divining rod, a "shewstone" for visions and conjured the dead.

There were several major influences in the young Joseph Smith growing up in rural New York State in the early 1800's. His family was poor and there were tales of buried treasure by Captain Kidd in the region. From the age of 12 the young Joseph was already using a divining rod to go out into the woods for seeking this buried treasure. The other great influence was his family history as a descendant of Samuel Smith a participant in the Salem Witch Trials. The young Joseph from an early age was known to have a gift for finding things with his diving rod and later progressed to

his "shew-stone" a stone talisman that he put in a hat and then put his face in the hat to see 'visions'.

The other major influence of the time was a great religious fervour of the era of the second great awakening in the New England area. But with it came a lot of deception. One of the greatest deceptions was a book by Francis Barrett "The Magus" that appeared in 1801 which was the first generally available guide to ceremonial magic and the Kabbalah. It gave lengthy descriptions on how to conjure up spirits and cast spells and how to obtain riches by this means. Joseph Smith saw a vision in his hat that told him of gold plates buried in a cave on the Hill Cumorah. To find this gold he had to perform a rite of ceremonial magic on the fall equinox of 22 September. The magic rites consisted of drawing a ring of power in the ground and then making the proper incantations. A spirit duly appeared called Moroni who revealed to him the place of the golden plates.

But where the original search by Joseph was for gold to make him rich, the spirit told him these plates were to be interpreted and the message written down...and thus came about the book of Mormon and the way to riches and power...start your own religion. Today the Mormon church is one of the richest financial entities in the world as well as powerfully connected to world of political power with prominent politicians like Mitt Romney and many other senators and congressmen being Mormons. In addition the American FBI and CIA are heavily staffed by Mormons.

Joseph Smith through his spirit guide soon developed the religion into a very attractive magnet for others who are seekers after the usual attractions of women, money, power and immortality. Smith promised it all. His great innovations were the revelation that God and Jesus were also once just men like us but that they ascended to be gods now ruling over us and if Mormon men went through the various temple secret ceremonies of initiation into which in essence are occult rituals, they too will one day become like gods, having their own worlds to rule over populated by their wives, children and descendents...hence the need for as many wives as possible. The spirit that he conjured up, Moroni was supposedly a dead prophet whose father was called Mormon, and thus the "Book of Mormon".

Smith soon incorporated all the Masonic initiation rites into his religion with each man having to go through to at least Master Mason and from there on, their own distinct rites to higher levels of occult power. He formed an army with his followers and ran for President of the United States as he considered America to be the gathering place of the lost tribes of Israel. What became particularly important for Joseph Smith and in fact for all occult practitioners is the position or place where the strongest occult powers or entry gates to the heavenlies can be opened. The key places are along what are known as "ley-lines" and what is key here is to find the centre of a territory that you want to control...and there set up a "gateway" into the heavens.

For the ancient occult societies the centre point of all the earth's landmasses was the Giza plateau which is why the Great Pyramid and Sphinx were built there...as gateways to the gods. For Joseph Smith and his Mormons the great centre point of America where the spirit Moroni told them the New Jerusalem was to be built was...Missouri. The US state of Missouri was and is critical to Mormons for the

coming of the New Jerusalem. But they caused so much trouble in Missouri that the state kicked them out and they had to move to Utah, the wilderness then. But they still long for this unfulfilled prophecy.

But the Lord had other plans....

In the centre of America and in Missouri is the headquarters of the world's largest Pentecostal church denomination...the Assemblies of God in Springfield, MO. Around the world, 66 million members and still growing. Where satan wanted to plant the headquarters of this occult organization so that they could open a "gateway" over America, the Lord positioned one of the strongest divisions of His Church to close that gate and open rather the windows of blessing over America and the world. From there thousands of preachers were trained and thousands of missionaries were sent out to the world to preach the true gospel and baptize the people of the nations and bring them the power of the Baptism of the Holy Spirit. One Assemblies of God missionary started a church in Singapore in 1978 and today that mega-church has started 1500 churches all over the world. The same in Korea and in Brazil and all over the world.

Jesus said He gave us power to bind and to loose. We all have been placed all over the world to bind occult doorways and their gatekeepers and to open the windows of heaven for the outpouring of the Holy Spirit. The announcement of the true angels of heaven to the shepherds of Bethlehem is still the foreign and domestic policy of the Kingdom of God...**"peace on earth and good will to all men"**. God so loved the world...that He sent us out as His ambassadors to preach a message of reconciliation. But if we are to have peace on earth then the "gates of hell" must be closed through prayer and fasting and spiritual warfare wherever we find them and then we can bring deliverance to the captives. Mormonism is collapsing from its own internal contradictions. There are so many historical errors in its writings that people are leaving that deception by the droves. And so are all the other gates that have been opened through the ages to deceive the world. Satan cannot repeat two sentences without lying. The world is waking up to the hidden forces of evil that perpetuate mindless violence and debauchery. It is all falling apart....
except for the Kingdom of God that is growing all over the world!
