Time to Break With the Messianic Zionism of Dispensationalism

America and the American Charismatic Church are on dangerous trajectory. They have tied themselves to a Messianic Zionism that has no blessing from God or scriptural justification. And damaging the witness of the Church in the Global South.

I saw a recent cartoon image that would be funny if it weren't so tragic:

From the American evangelical church to Israeli PM Netanyahu: *"This is My beloved son, with whom I am well-pleased."*

For the church of the Global South it presents the reality of Isaiah 52:5: "....my name is continually blasphemed all day long".

For the evangelical church that has been such vocal supporters of both Israel and Ukraine accusing Russia for an "unprovoked attack on Ukraine: what are we to do or

say of the unprovoked attack on Iran while they were in deep negotiations for a peace settlement?

The not so hidden justification for the animus towards Russia of course is that they have been identified as prophetic enemies of Israel from Ezekiel 38. And therefore all are enemies of God and must be attacked....Iran, Libya, Iraq, Syria, Lebanon, Sudan, Somalia, Russia. Nations America has bombed and destabilized in all because why?

Because of Messianic Zionism. Those who bless Israel by helping Israel defeat their foes will be blessed by God.

So implied Senator Ted Cruz. And the American evangelical/political alignment of MAGA, the military and congressional nexus. It is God's will.

The excuse is "These are God's chosen people, the inheritors of Abraham's blessings". Reminding me of the response that Jesus made to the Jews of His day claiming to be Abraham's children....(John 8:33-40, Mat. 3:9).

Jesus' response then and today is if you were Abraham's children you would produce the fruit of Abraham. God said of Abraham's offspring..."in your seed will all the families of the earth be blessed".

But when the Israel state came into existence in 1948 the prophetic Dispensational movement got very excited...."the fig tree is putting forth its leaves" praise God! Scripture is being fulfilled...Matthew 24:32 :when you see the fig tree putting forth its leaves..."

Now 77 years later we do what Jesus did with the fig tree in Matthew 21:19 "Seeing a fig tree by the road he came to it and found only leaves and he said to it "No longer shall there be any fruit from you and at once the fig tree withered".

You want my prophetic interpretation? It is 77 years since 1948 and it is fruit inspection time. What is the fruit that national Israel is displaying? Is it a blessing to all the nations? Is America greatly blessed for fighting multiple wars on behalf of Israel? Scripture says Jesus cursed the fig tree for not bearing any fruit and it withered away.

All over the world there is a disgust at the Gaza genocide and now the unprovoked attack on Iran. The international sympathy for Israel after 7th October 2023 is gone. National Israel has failed in its calling as it has twice in its history when God had to destroy Jerusalem because the sins of the city and the people had resulted in Isaiah 52:5...the name of God being continually blasphemed" Is this how God's chosen people display the character of the Lord to the world?

The problem with the evangelical Mesianic Zionists is the same problem that old blind Isaac had in Genesis 27. Jacob fooled him into believing he was Esau to get the Birthright Blessing ("blessing to all the nations of the world). Today the evangelical movement cannot see who is Esau and who is Jacob. Esau is calling himself Israel.

Now go back to 1948. There was something else that started in 1948. All over the world there was a dynamic fresh new outpouring of the Holy Spirit with miracle signs and wonders, enormous tent revivals, healing crusades, evangelistic crusades, new world missions outreaches.

If I make the claim that the Church of Jesus Christ is the Israel of God with the calling and anointing to bless all the nations of the world and my Messianic Zionist brothers and sisters accuse me of "Replacement Theology" or at worse "antisemite"....what would my defense be? I will not go through all the scriptural reasons.

I will merely say it is fig tree fruit inspection time.

Since 1948...who has blessed all the nations of the world? The Church of Jesus Christ or national Israel and the Jews? Who has declared the name of the Lord to all peoples to make know the glory of the Lord in all the earth?

Can you still make any kind of argument anymore that it is vital that the Church be taken out of the world in the Rapture so that God can establish His kingdom on earth through the Jews and national Israel?

If I am right and we have come to fruit inspection time then I prophetically predict that the fruitless tree of false Israel has had its time to prove itself but still only displays leaves...and that it is time that tree will now wither and die.

The attack by Israel on Iran will have damning consequences. The Israeli economy is in tatters and dying. The people are leaving. The Israel Iran war is not over. The worse is still to come.

And America? is America to be blessed with prosperity for blessing Israel by providing the bombs and armaments for continuous wars in the Middle East for Israel? No. Donald Trump is waging economic war on allies and friends and foes alike. Capital is fleeing the US dollar. The world will turn on both Israel and America,

The fruitless tree of both Israeli Zionism, MAGA and Messianic Dispensational Zionism are all withering

It's time for the Church of the Global South to move on from this spiritual dead end and get on with discipling the nations.

We are the seed of Abraham through which God will bless the nations of the world. Don't sell your Abrahamic birthright for a mess of Dispensational Zionism.
