Part 3: Abraham The Father of Many Nations

I need to prove to you something which is not part of "end times" preaching....that God is going to redesign the international political/economical world order into "sheep nations" and 'goat nations". You need to believe this if we are to heal our land.

Here at the 3d blog of my series on Gods' prophetic destiny for Southern Africa I need to prove a scriptural point. This is going to be contrary to everything you have heard in our evangelical circles about the end times. But I need you to have a faith for this great task ahead of us based not on what could be my wishful thinking but on the clear plan and purposes of God revealed in scripture and now about to unfold on the world stage.

The problem we face in prophetic interpretation of the times is clearly illustrated in two articles that appeared in the August edition of our local charismatic magazine JOY! I like the magazine, I buy it most months as well as its Afrikaans edition JUIG. Always uplifting always supportive of the local great ministries here in South Africa and those overseas that are making an impact on the Body of Christ.

Unfortunately they are fully committed to the American eschatology of the end times which all seemed so spot on in the 1970's but 40 years later...frankly nothing has actually come true as predicted in those years 40 years later. However they still cling to two absolute certainties and those were the subject of two articles in the magazine entitled:

"The Unhindered March Towards Globalism" (p.28) by Britt Gillette

"The Single Greatest Sign of the End Times" (p.32) by Britt Gillette

The first article is to show how a one world government is about to take place on earth with obviously the Antichrist being its head.

The second article is all about the return of Israel with this quote "Israel plays the lead role in God's plan. Without it there can be no end times."

If you were to look deeper into this Israel role of the end times then the vision there is that the Jews turn to Christ after the church is taken out of the world and after they make a pact with the Antichrist and after Armageddon and after they lose 2/3ds of the Israeli population in the Great Tribulation they inaugurate the Kingdom of God on earth for a 1000 years.

Nowhere in this scenario is there any place or hope for healing our nation of South Africa. The only political manifestation on earth of any prophetic relevance is Israel and the Antichrist world government. So my repeated call for the Lord to heal our nation has no possible fulfillment now in our lifetime and in fact the scripture I quote from Revelation 21&22 actually happens not even in the great 1000 year Millennial reign of Christ (because that ends in disaster) but only after the earth is destroyed and a new heavens and a new earth is created and a New Jerusalem appears out of heaven

and then the scripture talks about "healing the nations"....who once again are rebelling against God.

So my prayer and expectation for God to heal our nation is false hope and false teaching as it is not going to happen for another 1000 years into the future. The church of Jesus is not going to be around to do it because it is going to be raptured out, South Africa has no part in God's plan except to become a province in the Antichrist's world empire...the only nation that God is interested in now is Israel.

Tell me does any of this make any scriptural sense to you? Is there something in your spirit like in my spirit that says this teaching is false propaganda from the devil himself scared that we might just wake up to claim our inheritance in Christ?

Let me give you an example of this kind of selective scripture picking to discourage us from the truth of our inheritance in Christ.

In pastor Gillette's article on globalization/one world government I quote....

"In scripture it describes the end times as follows: A powerful global government will dominate the world (Dan. 7:23)"

So I looked up his scripture reference to Daniel 7:23 and this is what it says...

"Thus he said the fourth beast shall be the fourth kingdom upon the earth which shall be diverse from all kingdoms and shall devour the whole earth and shall tread it down and break it in pieces..."

Well is that your Antichrist one world government? The fourth beast of Daniel? Every Bible commentator knows that fourth beast referred to the Roman Empire (the third beast being Greece) which is long lost in history and of course Pastor Gillette did not want to quote the verse right before this Daniel 7:22....

"The ancient of days came and judgment was given to the saints of the most high and the time came that the saints possessed the kingdom of God."

This was the historical fulfillment of the fact that although the Roman Empire made war against the saints and persecuted them, the saints prevailed and the whole Roman Empire eventually became headed by Christian emperors.

Why lie and twist scripture to make the devil and his work great and the church look defeated and powerless? When exactly the opposite is true! What is the agenda?

As for the second article on Israel I have covered that many times in my writings. The real historical truth is that all the prophecies of Ezekiel and Jeremiah and Isaiah of the miraculous return and rebirth of Israel to once again become a nation all happened from 533 BC when the first group of Jews left to return to rebuild Jerusalem under the leadership of Zerubbabel all the way to the Maccabean revolt under the Hasmonean's from 167 BC to their final victory for independence in 141 BC and the crowning of their first king in 101 BC and living securely in restored kingdom of their one once again in a territory larger than David's kingdom....all the prophecies of the return and restoration of Israel were fulfilled between 533 BC and 141 BC....it took them exactly 390 years of struggle and fighting...exactly the 390 years that Ezekiel prophesied in Ez.4:4-5 another 40 years until the restoration of the monarchy. (vrs 6).

The Prophecy of the Sheep Nations

Now let me give you a deeper understanding of the scriptures yet unfulfilled about the real Israel of God and the multitude of nations that are to come out of Abraham and Jacob that must take place on the earth before the coming of the Lord.

Jesus himself referred to this in Matthew 25: 31-46 when He said He will send His angels into the world and separate the people of the world into new boundaries...because He is Lord and as He told Nebuchadnezzar through Daniel, the Lord reigns over the nations of the world, He sets up kings and tears down kingdoms, he sets the bounds of their authority and the time for the appearance and disappearance.

Jesus said He would set new boundaries in the age to come....sheep nations and goat nations. Now it is important for you to understand what He is referring to here. This is the prophecy He, Jesus, gave to Abram when He called him....

Gen. 17:4-5:

"Behold my covenant is with thee and you will be a father of many nations neither shall your name any more be called Abram; but your name shall be called Abraham for a father of many nations have I made you."

So Abraham was to be father to many nations...and the same promise was made to Jacob....(Gen 35;11)

"And God said unto him I am God almighty be fruitful and multiply; a nation and a company of nations shall be of thee..."

Now remember what I am trying to show you here...God is not about one nation in the end times, national Israel...He is about a multitude of nations that are the sheep of His pasture. I am proving to you from scripture that God has plans for a host of new nations on earth that are called by Him into His kingdom and they all will have Abraham as their father....not biological father like the Jews claim to be but spiritual father as scripture is really about....

But before you get the wrong idea of who this seed of Abraham was to be and which multitude of nations God is referring to let Romans 4 clarify the real picture. I will print it here in length to give you the context and then I will pick out the relevant portions:

Rom 4:11 And he (Abraham) received the sign of circumcision, a seal of the righteousness of the faith which he had yet being uncircumcised: that he might be the father of all them that believe, though they be not circumcised; that righteousness might be imputed unto them also:

Rom 4:12 And the father of circumcision to them who are not of the circumcision only, but who also walk in the steps of that faith of our father Abraham, which he had being yet uncircumcised.

Rom 4:13 For the promise, that he should be the heir of the world, was not to Abraham, or to his seed, through the law, but through the righteousness of faith.

Rom 4:14 For if they which are of the law be heirs, faith is made void, and the promise made of none effect:

Rom 4:15 Because the law worketh wrath: for where no law is, there is no transgression.

Rom 4:16 Therefore it is of faith, that it might be by grace; to the end the promise might be sure to all the seed; not to that only which is of the law, but to that also which is of the faith of Abraham; who is the father of us all,

Rom 4:17 (As it is written, I have made thee a father of many nations,) before him whom he believed, even God, who quickeneth the dead, and calleth those things which be not as though they were.

Note the following:

vrs 11-12 : Abraham was counted righteous before he was circumcised so that he could be the father of all those who are of the faith, those circumcised (the Jews) and those not circumcised (the gentiles). The very important point is this....Abraham is the father of a particular seed of people...not just the Jews but all those who are believers. Being a biological seed of Abraham does not make you an inheritor of Abrahams blessings, you are not his seed through birth but through re-birth.

vrs 13 The promise to Abraham was that he would be the heir of the world!!! Please folks read this again!!! This is important....the inheritance of the seed of Abraham is not Palestine or the land of Israel. - The land promised to Abraham is the whole world! And there will be a multitude of nations to make claim as the spiritual seed of Israel to the whole world...not just Palestine

vrs 14-16 The only seed that will inherit Abrahams inheritance are his real seed...those of faith! Not those of genetic birth. If people who are Abraham's genetic heirs have right to claim Abraham's inheritance than faith has no part in it, just genetic birth. It is by grace through faith that we are heirs of Abrahams inheritance, that is the true seed of Abraham....and that means that the Jewish settlers of 1948 who claim Abraham's inheritance of the land of Israel by right of genetic birth have no claim in the court of heaven. God has not given them the land...the United Nations has granted them that right.

The consequences of these verses from Romans 4 and the promises of Genesis 17 to Abraham are devastating to the whole Israel end times deception upon the church.

These 1948 returning Jews are genetic descendants of Abraham but are not the seed of Abraham and have no part of Abraham's inheritance because they are not the people of faith. Arab Muslims can also claim genetic inheritance of Abraham. This is the point Paul is making in Romans 4....and of which he warns in Romans 9:6 "Not all Israel is Israel".

The second point is that the land of Palestine is not the only land of Israel. The whole earth is the land of Israel, the inheritance of Abraham. Please read verse 13 several times over to let it sink in....That means this whole idea of one nation that God is only concerned with. genetic Israel is a fraud, the idea that there is only a "Holy Land" in Palestine or that constitutes the land of Israel are all frauds and deception.

The idea that there is only one nation of Israel is a further fraud and deception. Abraham is the father of many nations and all those nations are his seed according to faith and all those nations will inherit the whole earth!

And those who are looking for a temple to be built in Jerusalem as a sign of the times are in deception...the only Temple God is building is His Church which is the Temple of the Holy Spirit. The only Jerusalem Jesus is returning to is the New Jerusalem, the Body and Bride of Christ.

And that is my case why Southern Africa is the Holy Land, the land of God's Israel the people of faith...we might be of various tribes whether Dutch or English or San or Coloured or Zulu or Sotho by natural birth but by faith and rebirth we are the seed of Abraham and this portion of planet earth will be one of God's sheep nations and probably one of the first parts of planet earth that will raise the ensign of God to say this is God's portion of earth where Jesus is Lord....as an example to those multitude of believers in Brazil, Korea, Singapore, Nigeria, Central America, East Africa....all over the world one portion of the earth after another will be liberated and translated into the Kingdom of His Son wherever the real seed of Abraham are ready to exit from Babylon and form a sheep nation.

This is the next great move of God in the earth...this is the real new global one world government...the Kingdom of God. And oh by the way, thank you all you globalists who had these vain imaginations that you could create a one world government without Christ as King...you conveniently knocked down national barriers, created a world economy, and created free movement of goods and people all over the world so that we the real inheritors of the earth could go anywhere and everywhere to preach the gospel, download the scriptures from the internet everywhere, send money and material to missions everywhere and win nations into the Kingdom of God.
