God's Plan to Depopulate Our Promised Land

Our Promised Land is the world. Over the next 50 years the wicked will be depleted enough so that the meek can inherit the earth. Here is the strategic plan of God now working towards this end.

I want to give you some world statistics which if extrapolated for the next 50 years ensures that the meek will inherit the earth as Jesus promised in Matthew 5:5.

But first my background framework....

The attention of the international prophetic charismatic community is focused on the drama and disaster now happening in Israel and Gaza. They are cheering and praying for an Israeli victory that essentially will amount to mass ethnic cleansing of Palestinians from both Gaza and the West Bank...this being crucial to fulfill what they think is the end time prophecy fulfillment that Israel must expand the Promised Land from the Nile to the Euphrates...the dream of the Greater Israel with rebuilt temple.

This is totally false. The promise to Abraham that Israel would expand to have borders from the Nile to the Euphrates was already fulfilled in Solomon's day! God kept that promise. If you have never heard this then I refer you to 1 Kings 4:21 and I will quote Clarke's Bible commentary which explains this verse....

1Ki 4:21

Solomon reigned over all kingdoms - The meaning of this verse appears to be, that Solomon reigned over all the provinces from the river Euphrates to the land of the Philistines, even to the frontiers of Egypt. The Euphrates was on the east of Solomon's dominions; the Philistines were westward on the Mediterranean sea; and Egypt was on the south. Solomon had, therefore, as tributaries, the kingdoms of Syria, Damascus, Moab, and Ammon, which lay between the Euphrates and the Mediterranean. See Calmet. Thus he appears to have possessed all the land that God covenanted with Abraham to give to his posterity.

That was the Old Covenant. It is over. The Kingdom of God has been taken away from national Israel which of course again the charismatic prophetic community does not believe even though Jesus made it plain in Matthew 21:43....

"Therefore I say unto you the Kingdom of God shall be taken away from you and given to a nation bringing forth the fruits thereof."

If you are "standing with Israel" and cheering on Netanyahu and the Gaza genocide because it is God's promise of a 'Greater Israel' being fulfilled you are in prophetic deception.

Here is the New Promised Land for the New Covenant as Paul describes it in Romans
Rom 4:13 For the promise, that he should be the heir of the world, was not to Abraham, or to his seed, through the law, but through the righteousness of faith.

Rom 4:17-18 (As it is written, I have made thee a father of many nations,) before him whom he believed, even God, who quickeneth the dead, and calleth those things which be not as though they were. Who against hope believed in hope, that he might become the father of many nations, according to that which was spoken, So shall thy seed be.

So the new Promised Land for all of Abraham's seed (Jews and Gentiles) is that they would be "heirs of all the world". Which is logical since we are "joint-heirs" with Christ who is to inherit all the nations.

The new "nations" that Jesus refers to that will bring in the fruits of the Kingdom (since Israel turned out to be all leaves and no fruit) are the "multitude of nations" that would come forth from Abraham's new seed as the father of many nations.

Now here is the current world applications for the Church of the 21st Century.....

Under the Old Covenant Israel had to come out of the wilderness after 40 years and then "possess the promised land" that Moses showed them. However they had to fight for that land as it was inhabited by 7 nations that were steeped in idolatry with Nephelims giants in the land....meaning a lot of witchcraft and false gods.

It was blood and violence and swords and battles. That was how they depopulated the Promised Land so that they could inherit it. God also told them to destroy the idols and the temples of the false gods lest they be tempted to serve these false idols.

That is not how our world wide promised lands are going to be possessed. It will not be us fighting unbelievers to de-populate the nations.

The Lord is allowing the world economic and political systems to kill off the inhabitants of the nations, depopulate them and collapse their false ideologies along with them. How?

I want to show you some charts that have international nations and organizations and their respective "deep state" planners frightened for the future!

I will give you the example of Japan and then extrapolate to the other big 10 international powers....

Japan has a demographic crisis that started in 2017 and picked up steam in 2020 and will accelerate from there into at least 2050... as a high life expectancy and a low birth rate has created an unprecedented aging population.

As a simple and effective measure of that 'crisis', we look at the old-age dependency ratio which measures the number of people over the retirement age of 65 for every 100 working-age people. Meaning how many people are working to support every over 65 retired person?

The higher dependency ratio means fewer workers are supporting a growing number of retirees, which as the ratio goes higher will eventually collapse social security systems, healthcare, and pension funds.

Secondly the remaining workers not only have to support the elderly but must pay the enormous accumulated debt repayments of the previous generation while at the same time paying taxes to support current government expenses and then if that were not enough must still make enough money to start and raise a family and pay of a house mortgage.

In Japan the current old age dependency ratio is 54.5. Meaning 54 old people over 65 supported by 100 working people. This terrible ratio is because for decades the Japanese have not been having enough children per family. And they still are not. So in 25 years time in 2050 that ratio goes to 80. That means 100 people working to support 80 old people not working plus all other costs and expenses of running a nation, taxes, pay debts etc that those hundred must bear.

It is impossible. And there is nothing that can reverse this coming train wreck. Because there are not enough children in the pipeline to change that 80% reality by 2050. The Japanese economy will implode before 2050.

But the same can be said of all other nations that are financially industrialized where the average GNP per person is over \$10,000 per person. They are all growing older with not enough children being born to replace the working cohort. They are all dying a demographic death...self assisted national suicide!

Here is the table for 10 other nations....

Country	2023	2050F
 Japan	54.5	80.7
 Italy	40.9	74.4
 Germany	41.4	58.1
 France	38.4	54.5
 China	20.0	47.5
 United Kingdom	34.2	47.1
 Canada	33.4	44.9
 United States	31.3	40.4
 Brazil	17.1	39.5
 India	11.6	22.5

Countries like Taiwan and South Korea far worse than the above. You need 2,1 children per woman per lifetime to replace your population. South Korea is below 1.

By 2050 a short 25 years from now the world economy is imploding. The world population is collapsing, the age of the populations are getting older and the children scarce.

Why are there no children or not enough children? For a number of reasons:

- The debt based international financial economic system is geared and built for corporate and government growth...not family growth. So many hard working people just cannot afford to have more children even though husband and wife are working.
- The narcissistic "me" generation world culture where the most important thing is money, pleasure, self-fulfilment has corrupted the morals of at least 2 generations now and having family and the responsibilities of children are just not important at all.
- The fast spreading homosexual lifestyle is destroying family culture or the bringing of children into the world.
- The abortion epidemic of killing your child because that child will be an inconvenience to career advancement or partying or freedom of movement is the dominant culture of the world today. Moloch is a cruel idol that has always demanded child sacrifice of its worshipers.

The wicked are depopulating the earth. Their wicked ways and their wicked economic and political systems ensure that the de-population of nations is now unstoppable. Because there are no next generations.

The god of "State and Government" that promises free education, free health care, pensions, welfare for the needy, care for the elderly....the institution that people all over the world and especially the "developed world" look to care for them from cradle to grave....is going to collapse.

New 'nations' are coming. The new nations that God promised Abraham would be a multitude of nations will bring forth the "fruit" that God wants from his garden of planet earth. They will grow to fill the earth because the old gods of the world, the old nations and their parasitic economic systems will fall away making room for a new world order.

The vision I see is from 2 Chronicles 20. We wont need to fight. The enemy occupying our promised land will destroy themselves and we inherit what they left behind. I quote

- 2Ch 20:15 And he said, Hearken ye, all Judah, and ye inhabitants of Jerusalem, and thou king Jehoshaphat, Thus saith the LORD unto you, Be not afraid nor dismayed by reason of this great multitude; for the battle is not yours, but God's.***
- 2Ch 20:17 Ye shall not need to fight in this battle: set yourselves, stand ye still, and see the salvation of the LORD with you, O Judah and Jerusalem: fear not, nor be dismayed; to morrow go out against them: for the LORD will be with you.***
- 2Ch 20:21 And when he had consulted with the people, he appointed singers unto the LORD, and that should praise the beauty of holiness, as they went out before the army, and to say, Praise the LORD; for his mercy endureth for ever.***
- 2Ch 20:22 And when they began to sing and to praise, the LORD set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten.***

2Ch 20:23 For the children of Ammon and Moab stood up against the inhabitants of mount Seir, utterly to slay and destroy them: and when they had made an end of the inhabitants of Seir, every one helped to destroy another.

2Ch 20:24 And when Judah came toward the watch tower in the wilderness, they looked unto the multitude, and, behold, they were dead bodies fallen to the earth, and none escaped.

2Ch 20:25 And when Jehoshaphat and his people came to take away the spoil of them, they found among them in abundance both riches with the dead bodies, and precious jewels, which they stripped off for themselves, more than they could carry away: and they were three days in gathering of the spoil, it was so much.

2Ch 20:25 And when Jehoshaphat and his people came to take away the spoil of them, they found among them in abundance both riches with the dead bodies, and precious jewels, which they stripped off for themselves, more than they could carry away: and they were three days in gathering of the spoil, it was so much.

We need to look long term and plan long term. Because at the end of this long term strategy of outlasting and out producing the wicked with righteous lives and moral strong families there are going to be a world of tangible cities, real estate, knowledge, technology and untold unencumbered riches to inherit.

Long term means, Grandfather, Father, Grandchild....

"A good man leaves an inheritance to his children's children and the wealth of the sinner is laid up for the just" (Prov. 13:22) And there is a lot of wealth the sinner will leave behind. You came into this world with nothing you leave with nothing except that which has eternal value.

For a lot of you reading this blog, your children's children, will see the new century in 2100. By 2075 it will already be a new world being built out of a collapsed old world order.

To have 3 generational thinking and planning means get out of all this "end times" deception in the church. The Antichrist is not inheriting the earth nor will the wicked inherit the earth because they will not have the children or grandchildren to inherit the earth. The Kingdom manifestation on earth is not a restored Jewish kingdom. This is more deception.

The other phenomenon is a growing world wide charismatic evangelical church in nations all over the earth. All other faiths are declining and most just plain dying out for lack of believers and followers.

For us the coming concentration must be on the Christian family! That is where we need to work. I appreciate evangelism and outreach but our foundation must be family growth and family health
