The Great 7 Stage Alpha-Omega Jesus Project

To help you get perspective of where we are in the great Kingdom timeline from Alpha to Omega I will show you the 7 great creation platforms that Jesus is building from Alpha to Omega when He delivers the Kingdom to the Father.

I am finishing the re-write of my book "The Radical Gospel of the Kingdom". In chapter 1 give a 7 stage progressive creation strategy that Jesus is constructing for the exponential expansion of the Kingdom of God through creation history from "Alpha to Omega". Meaning from when He started creation till He the end comes when He delivers the Kingdom to the Father.

I do this at the start so that my readers can get a better perspective of the prophecies and explanation that follow from there. This I have found is a critical necessity because of the all the "end -times" deception in the Church. People do not realize the utter mind-boggling enormity of the Kingdom project that Jesus is busy with, neither in its time scope or its space scope nor in its glory scope.

In a way it is like those great pictures of the vastness of the Milky Way galaxy that give you a new perspective of where you actually are in God's universe

By the way, there are another about 3 trillions of these out there....

In the first chapter of Revelation John has this staggering encounter with the reality of who his friend on earth really is.....God who created all things. The Alpha and the Omega. Which made John write in old age his great gospel opening...

:In the beginning was the Logos and the Logos was with God and the Logos was God....all things were made by Him".

This is repeated so wonderfully in Colossians 1:

Col 1:16 For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or

dominions, or principalities, or powers: all things were created by him, and for him:
Col 1:17 And he is before all things, and by him all things consist.

However Paul in his epistle to the Corinthians in explaining the resurrection needs to explain to the new Christians that Jesus Christ not only made all things as "The Alpha" but Jesus also has an end in mind of His great creation project. There is a purpose to creation and that means there is a beginning and an end to what I like to refer to as the Great Jesus Project. He is the Omega...the end. This is how Paul describes it.....

1Co 15:24 Then cometh the end, when he shall have delivered up the kingdom to God, even the Father; when he shall have put down all rule and all authority and power.

1Co 15:25 For he must reign, till he hath put all enemies under his feet.

1Co 15:26 The last enemy that shall be destroyed is death.

1Co 15:27 For he hath put all things under his feet. But when he saith all things are put under him, it is manifest that he is excepted, which did put all things under him.

1Co 15:28 And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all.

So I make the following conclusion. As Genesis 1 describes to us that when Jesus created the heavens and the earth there was an orderly process to this creation. I am not here going to argue the length in time of that creation, merely to state the whole thing did not just appear full created in one shot. There was progressive order of construction.

From that analysis I also say the following. The Great Jesus Project which the Bible describes as the Kingdom of God project is an orderly construction project taken over time and space in this physical universe where mankind whom He has created are meant to operate. As for the angels and those realms of creation, I leave that to others to speculate or provide insight on.

My concern is the progression of the Great Jesus Project to the point when He completes the project and then hands the completed project to the Father and says "Father the work you have given me to do is complete, I can now present it to you".

As Genesis breaks down the successive days of creation with each day's creation being a platform for the next stage so I have identified 7 successive platforms from start to finish of the Great Jesus Project. This has helped me to visualize where we are in this Alpha-Omega timeline of the project and what and where our generation is to do and what lies ahead, keeping in mind what lies behind.

So here goes....

1) The Universe Platform

Psalm 115 says...

Psa 115:14 The LORD shall increase you more and more, you and your children.

***Psa 115:15 Ye are blessed of the LORD which made heaven and earth.
Psa 115:16 The heaven, even the heavens, are the LORD'S: but the earth
hath he given to the children of men***

By "earth" I naturally infer that it speaks of a physical universe that has all the resources needed to place mankind on it to provide the resources needed to sustain physical life. This platform supports the..

2) The Human Platform

He creates humans as the platform into which He can breathe the breath of life to be His image bearers in this universe.

Gen 2:7 And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

The purpose of human creation is to be transformed into the image of our Father so that God can live in us and we can enjoy a love relationship with Him forever. This platform allows for the....

3) The Family Platform

He creates the family platform of man and woman and gives them the gift of being able to create new life and nurture that life to maturity. The family is not only place to create new life but also the place where Jesus Christ is born in the child through the spiritual ministry of the parents, God calls upon all mankind to be productive, and take dominion so that they can multiply and create new life...

Gen 1:26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

Gen 1:27 So God created man in his own image, in the image of God created he him; male and female created he them.

Gen 1:28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

This platform allows for...

4) The Church Platform

This is the platform on which the five-fold ministry operates as follows...

Eph 4:11 And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;

Eph 4:12 For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:

Eph 4:13 Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ:

Eph 4:14 That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;

This platform has the task of the perfecting of the saints unto the work of the ministry so that each and everyone of us finds our calling and maturity in Christ for the next great platform and its work.

5) The Ekklesia City Church Platform

. This platform is viewed in scripture in various forms as the Bride, the Body, the Tabernacle of God and in Revelation 21 & 22 as the city of God, the New Jerusalem from which flows the river of live to save the people and heal the nations. This expanded platform allows the people of God to network and work together with the goal of healing the nation in which that City Church operates to the extent that the entire national purpose is aligned with the will and Word of God. On this platform we can form new apostolic teams that are dedicated to starting businesses or schools or social activities or cultural activities.

This creates the foundation for....

6) The Sheep Nation Platform

God ordains nations and national civic authority to wield the sword and keep law and order so that God's people can lead peaceable lives to do the work of the Kingdom and allow them to prosper and be safe in their lives and property. A nation ruled by Godly men and women operating under Kingdom principles in the economy and business and education and law and ecology and human relations is such a productive and prosperous nation that it can produce the technology and wealth for solving the national issues of poverty, hunger, disease, education, and family formation and growth. as per Matthew 25:31-40 This platform allows us to create the national infrastructure we need as communities to thrive....energy, sanitation, hospitals, universities, law and policing, governance, monetary and fiscal policies all geared to Kingdom principles and Godly men and women who direct the nation.

This platform creates the possibility for.....

7) The New Heavens and the New Earths Platform

The endless exponential growth of the Kingdom of God to take dominion over all the works of Christ's hands requires the necessity of the endless resources of space and trillions of galaxies. That means solar and galactic exploration and settlement. Only nations who have made Jesus Lord over their territories will have the resources and surplus wealth and committed pioneers necessary for space colonization. Sinners will never be able to do this regardless of dreams of colonizing Mars or the moon. These are fantasies that will never materialize because sinners cannot live in close proximity to other sinners nor live the self sacrificing lives necessary for space colonization. Sinners want large cities and anonymous lives where they can sin in private and public.

These new galactic level Kingdom civilizations will allow for the completion of the great Jesus project of the ages that will allow Jesus Christ to present the whole Kingdom to the Father as the platform for.....

The Presentation of the Universal Kingdom of God to the Father

After the Father receives the Kingdom from His dear Son, that will form the platform for an eternal purpose deep in the heart of the Father that neither eye has seen nor has it come up in the hearts of man what the Father has prepared for our eternal destiny.

What is the task ahead for our generation and our time?

As I look at the world situation, God's prophetic timeline and the work that needs to be done I see the following next move of the Kingdom of God:

We have come since the Reformation right through the succeeding centuries through to the great Holy Spirit moves of the 20th century a revival and restoration and manifestation of the five-fold gift ministries of the Church. These great men and women of God have taken the gospel and church planting to all corners of the earth.

The many million who have been saved and disciplined and who are not called to the five-fold gift ministry are now ready to build the New Jerusalem platforms in cities and nations all over the world. These great 'City Church' manifestation of the Kingdom will be the platforms for healing the nations in which they are established.

Again I repeat what I have said before....

This is not the "end times" of the plan of God for the ages. It is the end times for all that the Lord has not built on the rock but built by man on sand. These human creations will not withstand the shaking that is coming.

Therefore this is not the end, neither is it be beginning of the end, but it is the end of the begining.
