The Church in the Era of Deception

My thesis to you is this: The Abyss has opened and the Church and the world face an evil intent upon deception and destruction hoping to avoid their final judgment and destruction in the lake of fire. Before there can be peace on earth...this evil must be dealt with by the Church.

Last week I continued my on and off commentary on the UFO phenomenon as a prophetic fulfillment of Rev. 9:1-11 and Rev. 20 of a release of particularly evil demonic forces onto the earth from what scripture describes as "the bottomless pit". I want to continue my analysis with some added information.

As you know from my writings that I completely reject the current much preached eschatology of "end times", the escape of the church, the worldwide victory of a supposed coming Antichrist, "Christian Zionism" which proposes a Jewish kingdom etc. None of the above is remotely close to anything happening now in either the church or the world.

In my prophetic timeline we are now in the midst of the "era of deception" in which the great showdown between the Church and the Satanic horde is coming to an end. This era is characterized in Rev. 9:1-11 as a period of "5 months" that this Satanic horde will be let loose on earth and then they will be judged and sent to the "lake of fire" to be destroyed.

In prophetic interpretation of a day for a year used in scripture I am assuming that there is a period in human history of about 150 years (5 months at 30 days per month) when you should see something of great significance. The re-emergence of these evil entities who were bound in the Abyss appearing back on the earth to repeat the evil that they were doing before they were bound.

In last week's blog I recounted for you from Genesis 6 and from the book of Enoch what they were doing that was so vile:

- they were mingling with humans to create hybrid angel/human beings.
- they were teaching mankind all kinds of technology in order for people to manufacture more lethal weapons of warfare for greater human destruction.
- they were encouraging human depravity of all kinds through enhanced fornication so that they can force the hand of God to destroy mankind.
- they were spreading false propaganda about themselves, who they are, who the real gods are and how humans were created. (refer to Sumerian ancient texts etc)

I propose to you that we are in an unprecedented era of human history from late 1800's till today - roughly a 150 year history from say 1880-2030 or say 1890-2040 when all the above is in incredible accelerated mode! My own personal illustration of

this incredible leap of mankind is this: My grandfather born in 1870 fought in the Boer war at age 30 on horseback against the British and by the time he died in 1964 at 94 men were in space and warfare had moved to intercontinental missiles and thermonuclear bombs. And we had a 100 years of mass industrial warfare, godless political parties, abandonment of all sense of moral decency, gross celebration of godless moral values, but also an unprecedented age of discovery and technological breakthroughs.

My Interpretation: The bottomless pit has opened and Abaddon/Apollyon the destroyer and his demonic hordes have been let loose on their prophetic 150 year rampage on the earth for one last hope to destroy mankind and deceive the church before their inevitable doom in the lake of fire is meted out to them.

But here is the other critical important thing that has also happened during this same time that the Bottomless Pit has been opened:

The Windows of heaven have been opened all over the earth! A worldwide pouring out of the Spirit of God from the end of the 1800's till today.

When God plants His seed in the earth, the enemy sows his tares. This is not only true of the Azusa Street revival but before that already the outpouring of the Holy Spirit in places all over the world.

When the great signs and wonders movement started in the 1940's launched by the prophet William Branham when he made the startling announcement that an angel of the Lord appeared to him....at the same time Kenneth Arnold announced to the world that while flying he saw a number of round crafts around him in the sky like "flying saucers". The UFO phenomenon was launched and intensified with the Roswell crash landing and alien bodies in 1947.

Today there is no great marvel when so many people testify to angel visitations...it has become an international reality in the Church. The same with UFO sightings...they happen everywhere and no longer make any great news.

While God's people are getting great teaching and revivals and great emphasis on how to hear God's voice and praise and worship and drawing near to the Lord, the world is being inundated with occultism, how to open the portals to the spirit world, how to enhance your psychic abilities through meditation or now very popular taking psychedelic drugs for an "other worldly" experience and contacting alien entities.

Now let me tell you what all demons and fallen angels know:

Mat 8:28 And when he was come to the other side into the country of the Gergesenes, there met him two possessed with devils, coming out of the tombs, exceeding fierce, so that no man might pass by that way.

Mat 8:29 And, behold, they cried out, saying, What have we to do with thee, Jesus, thou Son of God? art thou come hither to torment us before the time?

There is a time set for them to be cast tormented and destroyed in the lake of fire. Now that the earth is filled with the Spirit filled sons of God and the demons are trembling in fear. They are afraid because their time has come.

So what is their only tactic available? Try to delay the inevitable. How? Infiltrate the church with false doctrines. Get the church sidelined. Let the church wander in the wilderness for years but don't let them inherit their Promised Land and cleanse the earth of foul spirits.

Their tactic? Deception in the church!

Think about this: Repeatedly the writers of the New Testament as well as Jesus Himself keep warning...don't be deceived, many will come in My name and deceive many, Paul warning about preachers with mixed motives and "another gospel", Peter and John warning about liars and thieves and wolves and antichrists in our midst. And that was the New Testament church. Do you think that Satan has changed his tactics?

Although the New Testament churches were places of power and demonstration of the Holy Spirit they were also rife with false teaching and false prophets and false teachers and apostles. This is very evident from the following scriptures.

Paul had to counter a "different gospel" that was "contrary" to what he had preached (Gal. 1:6-9). He had to battle "false brethren" (2:4, 11-21; 3:1-3; 5:1-12). He warned the Ephesian church leadership that "men will arise, speaking perverse things, to draw away the disciples after them" (Acts 20:28-30). There would be wolves among the sheep (20:29). Theological insurrection came from within the Christian community.

Many people prior to Jerusalem's destruction in AD 70 questioned and disputed basic Christian doctrines like the resurrection (2 Tim. 2:18). Some even claimed that the resurrection was an impossibility (1 Cor. 15:12). Strange doctrines were taught. Some "Christians" prohibited marriage (1 Tim. 4:1-3). Others denied the validity of God's good creation (Col. 2:8, 18-23). The apostles found themselves defending the faith against numerous false teachers and "false apostles" (Rom. 16:17-18; 2 Cor. 11:3-4, 12:15; Phil. 3:18-19; 1 Tim. 1:3-7; 2 Tim. 4:2-5). Apostasy increased to such an extent that Paul had to write letters to a young pastor who was experiencing these things firsthand (1 Tim. 1:19-20; 6:20-21; 2 Tim. 2:16-18; 3:1-9, 13; 4:10, 14-16). In addition, entire congregations fell to apostasy:

The book of Revelation recounts heretical teachings that affected the churches: "evil men" (2:2), "those who call themselves apostles" but who are found to be "false" (2:6), a revival of "the teaching of Balaam" (2:14), those "who hold the teaching of the Nicolaitans" (2:15), the toleration of the "woman Jezebel ... who leads" God's "bond-servants astray, so that they commit acts of immorality and eat things sacrificed to idols" (2:20). The apostasy was alive and well in the *first* century (2 Thess. 2:3).

So don't be surprised if the church of the 21st century is filled with similar problems!

When Paul warns....

1Ti 4:1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils.

He is not speaking about doctrines about demons. He is saying watch out when demons whisper in the ears of gullible preachers doctrines that demons would like

you to hear...to get you off the Kingdom agenda and push you into dead-end theologies.

I believe the biggest deception in the church that is now rampant is any teaching that sends the church into theological dead-ends. Teaching that denies that the Kingdom of God has come, that victory of the church over all the works of Satan is now; teaching that causes the church to get sidetracked by "prosperity" and personal success, teaching that preaches the victory of Satan and the supposed Antichrist to rule the world rather than Christ and His saints.

Since demons tremble at the thought of a Spirit filled church that has the authority to judge them and cast them into the lake of fire for destruction, you can see why they would want to convince the church of the following doctrines...

- *This is not the time for the Kingdom of God,,,that is only going to happen one day in the future.*
- *And in any case you cannot manifest the Kingdom of God to fill the earth because scripture says the Antichrist world government must fill all the earth.*
- *You need to wait until Jesus comes back before you can do this Kingdom thing.*
- *And by the way here is the good news, you are not the ones to bring in the Kingdom of God, that is the job of the Jews. The good news for you is that you are going to be taken out of the world before things really go bad with the coming Great Tribulation and the battle of Armageddon.*

So instead of the church building the New Jerusalem which God wants to build to heal the nations....get the church's attention on the old Jerusalem. On Israel and the Jews. And then?

Let me describe you the nightmare scenario. Suppose that 1948 establishment of the state of Israel was not of God but was a clever diversion by Satan to sow tares while the real wheat, the real Israel of God, the real New Jerusalem from above was being built by God in all the earth.

Now get all Spirit filled evangelicals to concentrate on the middle east, to Stand with Israel! Jesus is coming soon, Israel has been reborn, Jesus is coming back now to Jerusalem. Praise God the Bible is true, prophecies are being fulfilled!

And then here is the nefarious part. The terrifying news from the world military intelligence is that the UFO phenomenon is a real security threat because these craft are obsessed with nuclear arsenals. Not only can they turn them on and off they have also initiated a seeming nuclear attack between Russia and America hoping these nations will start a nuclear exchange....and thereby destroying not only billions of people but destroy the Church.

Now what if they are however able to launch a nuclear weapon on Israel from any nuclear arsenal in the world? What happens if Israel is destroyed, if there is no Jerusalem? And after this happens finally the UFO's make their long anticipated appearance with a landing on the White House lawn to declare that they now have to intervene in human affairs since they were the creators of the human race?

Destroy Israel and land the UFO's. That to me is the ultimate way you create world wide deception and confusion not just in the world but most importantly in the church. But were that to happen it would mean that the deception was a long planned operation right from the start of the outpouring of the Holy Spirit when Satan realized the time of judgment was not come.

In fact that is exactly what happened when the great outpouring of the Holy Spirit hit the world starting in the Azusa street revival in the early 20th century this was the greatest threat faced by Satan...a world wide Spirit filled church....he had to do something to sidetrack the great Pentecostal movement. So the British-Israel-Masonic lot at England's Oxford University press rushed out a new Bible, The Schofield Study Bible. They financed an itinerant, alcoholic, preacher of great questionable character named Cyrus Schofield to be the visible promoter of this propaganda piece. Why? Because the most notable new feature of this bible edition was it's copious "research notes" ready made for a new generation of Spirit filled preachers who had no doctrinal teaching or training and who then relied on Schofield's notes rather than the inspiration and teaching of the Holy Spirit. And what was the ultimate purpose of the notes? The same as what the British-Israel financial backers in England and America always wanted – that the Jews were God's chosen to establish the Kingdom of God on earth. The church however was just God's Plan B, an interim dispensation, until God could get back to His real plan of a restored Jewish kingdom on earth.

This deception is still pervasive throughout the world evangelical and charismatic churches. And most preachers are fine with this. Why? Because as long as people come to church and you can give them hope that Jesus is coming back any moment now to take them out of the world then there is nothing more that can be done or should be done.

So this last week we had international news telling us about pastor Jesse Duplantis in a fund raising drive promising people that giving money will hasten the return of Jesus or Daystar TV channel with round the clock fundraising for "Stand with Israel" or in this month's edition of Joy?Juig magazine: A long 7 page spread on the coming of the Antichrist to rule the world from Europe. Last month it was the article 'Israel: The Beginning of the End'. It is beyond belief that anybody could still be preaching and warning the church about the Antichrist world empire based from Europe?!!

And no warning and analysis of Bealzebub which means "Baal-Z'ub" the "Lord of those that fly" i.e. the UFO phenomenon!

I know the response from most about my prediction of the future of Israel and Jerusalem. Jeremiah tried to warn the king and people of Judah, Jerusalem is finished it will be destroyed. They did not listen. This is God's city and God's Temple. Jesus tried to warn the Jews and His disciples, get out of Jerusalem it is finished. No never this is God's Holy City and we are His people!

You don't think God will destroy Jerusalem a third and final time if He decides this is an idol to the Church that needs to be taken out of the way so that they can get on with the Kingdom agenda? And what do you think will happen to the faith of millions when this happens at the same time that the "gods" make their appearance?

Wake up church! "Now you not that we will judge angels?" (1 Cor. 6:3)

Next week....How to kill an angel.
