**for week of 17 February 2018**

## **The World that then was....and the World to Come**

I want to unravel a mystery for you contained in Micah 4....the mystery of the world to come. But I need to unravel for you the mystery of the past ages of the earth which will give us an insight into the future ages of the earth.

Just a word of caution. This is not a topic that can be ignored as irrelevant to our time. The future is rushing to us with unprecedented speed. This series I am embarking on has to do with the following article that appeared just this week (15th February 2018) in the UK Guardian newspaper titled...

### **"Why Silicon Valley billionaires are prepping for the apocalypse in New Zealand".**

The first line of the article reads....*"If you are interested in the end of the world, you're interested in New Zealand."*

Actually I am interested in the end of the present world order and that is why I am interested in the mystery of Micah 4....not New Zealand. But I understand why tech billionaires are scared....they understand how the world order is now totally dependent totally on a functioning high tech infrastructure...and they know one very plausible event that is inevitable that will destroy that tech infrastructure and create world chaos.

I will explain that statement and that prediction later. And it needs explaining because people do not realize how fragile the facade of civilization and world order really is.

And that is the key to the mystery of Micah 4. Micah 4 predicts two world orders at the end of the present world age. The one will collapse. The other will rise. The people and nations of the collapsing world order will turn to the new world order.

This future event of the rise of a new world order is the "World to Come"...part of my title. But to understand this apocalyptic change of the ages you need to understand that this has happened before...the Bible describes it as "the world that then was."

Christians don't know how to understand this because they are incorrectly taught that the world is 6000 years old. It is not. I will explain. But first lets go to Micah 4 and then lets go back to the previous world apocalypse and the new world order that God instituted then and see what lessons we can learn for the new age to come that we are transitioning into.

Here is what Micah 4 says....

***But in the last days it shall come to pass, that the mountain of the house of the LORD shall be established in the top of the mountains, and it shall be exalted above the hills; and people shall flow unto it. And many nations shall come, and say, Come, and let us go up to the mountain of the LORD, and to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for the law shall go forth of Zion, and the word of the LORD from Jerusalem. And he shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up a sword against nation, neither shall they learn war any more. But they shall sit every man under his vine and under his fig tree; and none shall make them afraid: for the mouth of the LORD of hosts hath spoken it.***

Here are the mysteries for me that need to be unravelled:

What is the mountain of the Lord that the nations flow to?

What causes the nations of the earth to now suddenly wake up to realize they need to go the mountain of the Lord to learn the ways of the Lord?

At present in the world although the gospel is being preached everywhere and the knowledge of the Lord and His Word is freely available everywhere...there is nowhere in the world that I can see that nations are saying....Oh dear, our national political parties and policies are not working, our economic policies are not working, our societies are not working...lets all turn to the Lord God and re-order our nations and our policies according to God's word.

And yet scripture says at some point in human history this is going to happen.

It says it not only in Micah but in many parts in Isaiah, in Ezekiel, in the Psalms, in Daniel, throughout the gospels, throughout the epistles and of course in Revelation.

There are two things to consider here.

For the nations to drastically turn to the Lord in not just national repentance but international repentance there needs to be a "mountain of the Lord" present on earth to turn to....and there needs to be some catastrophic failure of the world order that precipitates this great world revival.

And these are my two predictions of the future....

There is coming a world catastrophic event that breaks down world order. I believe I know what it is and I believe I know what has the tech billionaires so extremely worried that they are looking, planning and constructing exit points for survival. These include underground tunnelling, space habitats, sea habitats, exotic end of the earth real estate, Antarctica exploration and settlements and many more. And have

you wondered why the top political and national groupings are borrowing and spending as if there were no tomorrow?

My other predictions is this...the manifestation of the "mountain of the Lord" in all the earth. And it is not what most evangelicals conceive of as the "second coming of Jesus" in the form of a physical Jesus sitting on a throne in Jerusalem.

The "mountain of the Lord" is also known as Mount Zion, or the city of God, the New Jerusalem, or also known as the Temple of God or also known as The Body of Christ or the Church of the Living God...which all amount to the government of God on earth as first made known to us in Genesis 2 as the Eden, the garden of God, the place where the manifest presence of God dwells and Adam and Eve the image of God on earth and God's administrators of His earth property as king/priests or also known as the Melchizedek Priesthood.

That is the "mountain of the Lord" that is being restored in all the earth, that is the seeds of the garden of God that are now growing to hold the manifest presence of God on earth, that is the new Jerusalem that is to be the tabernacle of God on earth.

Which takes us back to the world that then was...before Adam and Eve...the first great cataclysm that necessitated the recreation of the earth into a new world order with Eden being the "mountain of the Lord" to which the people were to flow to be taught and disciplined by Adam....

If you can get new revelation here and understand this important truth of the past...then you are well under way to understand the coming earth apocalypse and the new heavens and the new earth predicted in Rev.21 & 22. Because that is a vision of Eden restored in the midst of an earth whose nations need healing. And that is what coming... a repeat of the past.

Now lets dig a bit deeper into scriptures to understand "the world that then was"...

Genesis 1:1 ***"In the beginning God created the heaven and the earth".***

This is well known and accepted. However the issue that needs examining is verse 2:

***"and the earth was without form and void and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters."***

We do not have a proper understanding in our English translation of this verse. This is exemplified by Isaiah 45:18 directly contradicting Genesis 1:2. In Isaiah 45:18 the Lord Himself describes how he made the earth at the beginning:

***"For thus says the Lord that created the heavens; God Himself that formed the earth and made it; he established it, he created it not in vain, he formed it to be inhabited: I am the Lord and there is none else."***

When God originally created the earth He created it to be inhabited. He did not create the earth "vain" (Hebrew word "Tohu" Strongs 8414) the same word as "without form" in Genesis meaning "a desolation".

The answer to this contradiction is found in correctly interpreting the phrase "the earth was without form and void". The word "was" here is Strong's 1961 and is better translated as "became". God created the earth in Genesis 1:1 complete and beautiful to be inhabited. The earth then "became void and without form" or not fit for human habitation. Then the Lord proceeded to recreate the earth as described in the rest of Genesis 1.

We do not know how long back the original creation was. We do know from Biblical time line that Adam and the Garden of Eden, God's earth administrators were created and installed about 6000 years ago according to the Masoretic text and according to the Septuagint text that Jesus and Paul read the time line to Adam was about 7,500 years ago (which I think is the more accurate text.)

Jeremiah 4 gives us a further look into this world that existed before Adam that was destroyed and that God had to restore and that the Lord told Adam "replenish" the earth....you don't "replenish" if there was not something there before!

Jeremiah 4:23: ***"I beheld the earth and lo it was without form and void and the heavens and they had no light".***

Can you see here that Jeremiah was seeing a vision of Genesis 1:2 world, same words, same world! But he goes on to say...

Jeremiah 4:24-26: ***"I beheld the mountains and lo they trembled and all the hills moved...I beheld and lo there was no man and all the birds of heaven were fled. I beheld and lo the fruitful place was a wilderness and all the cities thereof were broken down at the presence of the Lord and by His fierce anger."***

I believe that this destruction of the old earth was probably part of the original rebellion of Satan and his fallen angels. I believe there was a world before Adam. I believe it was destroyed by judgment of the Lord. I believe the lost souls of that world are part of the demonic plague of planet earth that needs to be exorcised. I believe God recreated the world and the many races of mankind as declared in Genesis 1. I believe that Adam and Eve were God's administration on earth to disciple the people of earth into the Kingdom of God.

Which all brings us to the age to come....

Once again there is coming a devastating earth catastrophe. It will not destroy the earth. It will destroy the world order. I believe I think I know what has both the billionaire tech guys extremely worried and scurrying to safety and as Revelation says even burying under the earth for protection for what is coming (and storing up seeds for a post apocalyptic reseeded of planet earth). I will share that with you ahead.

But like it was in the "world that then was" in ages past...the Lord has provided for a new world administration that is to heal the nations. We are not running away. We have nothing to fear. Instead we see the Lord now preparing His Church all over the world to be "the mountain of the Lord" to which the confused and broken world will turn to in the time of desolation ahead...and who will say...."teach us your ways".

Meaning also of course that we have moved from just Sunday morning meetings by that time to actual function Kingdom societies running parallel to a collapsing world system and ready to take its place.

And that is the very exciting part of world history we are in now...the same tech billionaires have given us all the tools we need to create a world wide "mountain of the Lord" to manifest the Kingdom of God on earth by bringing us all together for the coming task of healing the nations.
