Week of 24 March 2018

Topic:

## Black Panther and the Coming Alien Disclosure Deception

Last week I took my young nephew to see the new world blockbuster movie Black Panther. It has become one of the highest grossing movies of all time with receipts already over \$1 billion.

As a keen observer of the world scene in areas like culture, technology, politics and economics I always try to see what impact these events have on the Kingdom agenda. I suspected this movie was more than just the usual Spiderman or Avengers techno trash. So I went to see what the excitement was all about.

Here is my assessment: There is a highly significant message here to a key segment of the world population. First let me tell you the background prophetic message that this slots into.

As you have noticed from some of my previous writings I have no belief in any of the current wild theories in evangelical prophecy writings and preaching on "The Antichrist". They all have that analysis wrong. I believe we are facing the Rev. 9 issue of the opening of the Abyss in which very powerful demonic entities that were bound there in ancient times who deceived the world are going to be released on planet earth to once again deceive the world.

I believe that the world wide UFO phenomenon that started from 1948 with the Roswell UFO crash is a parallel to the world outpouring of the Holy Spirit with signs and wonders and restoration of gifts and power to the church also starting in 1948.

But the manifestations from the spirit world both Godly and ungodly are activated by people exercising faith. To release that faith you need to "hear the Word of God"...faith comes by hearing and also by seeing the mighty works of God. Similarly in the demonic realm the world needs to see and hear the message of the "coming of the gods" in order to create an aura of excitement and expectation and open the world to the opening of the Abyss and the alien invasion.

You will have noticed for decades now the powerful propaganda in films, Hollywood entertainment, media, computer games....the young people, the Millennial generation especially are open and longing for a techno-paradise with avatars from space arriving to save mankind.

Now here is where Black Panther comes in....

A large segment of the world population especially that in America that has been basically excluded from the vision of salvation from the space gods is the African-America population group. And that also includes the black population in other nations. It never really resonated with them....until Black Panther.

The movie is an all black cast (except of course a real bad guy who is a white South Africa), written and directed by blacks. It revolves around a secret hidden black empire in East Africa (that looks on the map suspiciously where Rwanda is located) covered with a dome to hide it from the world. And hidden there is an advanced civilization, a true technocratic wonderland powered by a mystical mineral from space called Vibranium. This powerful hidden kingdom of Wakanda in Africa has advanced technology of UFO like craft, antigravity tech, fusion power, advanced chemistry and universal peace and prosperity.

Without going into all the ins and outs of the plot line, finally in the end after struggles and battles the people and the king of Wakanda decide they must reveal themselves to the world and help lift the black people of earth out of poverty and oppression....and in the final climatic scene we have a Wakanda UFO landing in a black poverty area of Chicago and step out to announce they are going to save the poor with Wakanda technology, training and investment.

Now from all the movie stats coming out it seems like the whole of the African American population in America is going out to see the movie...as well as here in South Africa the movie theatres are full of local black folk excited by the message of the film.

And what is the message of the film? Here is what I think is the hidden message of the film:

The world is being readied for the "Alien Disclosure". Governments are at some point in the near future when the time is right, will disclose that the UFO's are there and they do not know how to control them or how to fight them and they do not know where they come from.

The world's black population is getting the message of preparation that all the other races have gotten...salvation is coming from the avatars of the sky..."we came from space thousands of years ago to plant our seed here on earth and now we see you are in big trouble, you are destroying the earth...but have faith in us...we have the technology to save you." "oh and by the way there is no god and Jesus Christ was one of us sent to help you".

That is the message of deception that is coming as the war clouds gather all over the earth, as the world debt boondoggle collapses, as the trade wars start, as the West faces up to the rising East for a World War 3 showdown...then comes the saviours from the sky with a false salvation.

But the Bible tells us who they are and where they come from

### **The coming great deception...**

The ancient gods of the Sumerians, the Babylonians, the Greeks...these ancient fallen angels that Genesis 6 describes who against the Lord's commands did great evil to enter the earth realm where they do not belong and took to them wives and begat children which the Bible describes as "Nephilim" who were the god-men of ancient myths, the Bible describes as "men of renown"....these same fallen angels were

The ancient book of Enoch which Paul and Jesus read as part of their Bible in those days and which the Apostle Jude quotes from says the following:

*ENOCH 6:1 And it came to pass when the children of men had multiplied that in those days were born unto 2 them beautiful and comely daughters. And **the angels, the children of the heaven, saw and lusted after them**, and said to one another: 'Come, let us choose us wives from among the children of men 3 and beget us children*

*ENOCH 10:11 . . . And the Lord said unto Michael: 'Go, **bind Semjaza and his associates** who have united themselves with women so as to have defiled themselves 12 with them in all their uncleanness. And when their sons have slain one another, and they have seen the destruction of their beloved ones, **bind them fast for seventy generations in the valleys of the earth, till the day of their judgement and of their consummation**, till the judgement that is 13 for ever and ever is consummated. In those days they shall be led off to the abyss of fire: and 14 to the torment and the prison in which they shall be confined for ever.*

The book of Enoch confirms what Genesis 6 tells us except that it goes into more detail. The important extra detail it reveals to us is that these disobedient angels were to be locked up for 70 generations (70 years X 70 = 4900 years) and then released so that they can be judged and sentenced to destruction.

By the way I really believe that the time of their 70 generation imprisonment is now over and they are being released. I have worked this out from the time of Noah when they were judged and imprisoned to now is about 4900 years....they are back!

Revelation picks up the story of their release...

*REVELATION 9:1 And the fifth angel blew his trumpet, and I saw a star fallen from heaven to earth, and he was given the **key** of the shaft of the bottomless pit; 2 **he opened the shaft of the bottomless pit** and from the shaft rose smoke like the smoke of a great furnace, and the sun and the air were darkened with the smoke from the shaft... 11 **They have as king over them the angel of the bottomless pit; his name in Hebrew is Abaddon, and in Greek he is called Apollyon.***

Jude and Peter confirm the prophetic word of Enoch...

*JUDE 6 And **the angels** who did not keep their own position, but left their proper dwelling, he has **kept in eternal chains in deepest darkness** for the judgment of the great Day. (NRSV)*

*II PETER 2:4 For if God did not spare **the angels who sinned**, but cast them down to hell and delivered them into **chains of darkness**, to be reserved for judgment; (NKJV)*

*I PETER 3:19 . . . He went and preached to **the spirits in prison**, 20 who formerly were disobedient, when once the Divine longsuffering waited in the days of Noah, while the ark was being prepared, in which a few, that is, eight souls, were saved through water. (NKJV)*

The message is going out throughout the earth through all sorts of media....salvation is coming from the sky...the gods are coming back. Utopia is available with our technology. We can see you and we can save the earth.

The black population in America and Africa have now gotten the message as well...hope has arisen in their hearts. Look for your salvation and deliverance from oppression and poverty not in your local church of whom how many "faith preachers" are just a lot of scam artists getting rich off your "seed faith"....look up to the sky...the gods and their flying ships and their technology is here.

There is a spiritual battle coming for the people of God. There is a deception coming that will try to deceive even the very elect of God. There is coming a time very soon when even Bible believing Christians are going to be asking themselves..."But have we gotten this all wrong? Have we just been deceived all this time?"

To make any evangelical really face that question there will be other things that will go wrong with all the accepted views of Bible prophecy. For instance when this whole Middle East conflagration that is now coming to head with a war against Iran, Russia, and Turkey by America, Israel and Saudi Arabia goes horribly wrong and Israel and Jerusalem destroyed. And when independent space probes by Elon Musk and Space X take real high definition photos of Mars and the Moon to reveal ancient ruins in these places. There goes a 6000 year earth, Adam the first man and Israel and Jerusalem as proofs of divine prophecy and the plan of God for the Second Coming and the Millennium.

What will be left will be a remnant that stands fast...filled with the power of God and ready to take on the Archons and Avatars of the sky and bind them and bring them to destruction in the eternal fire to the amazement of the whole earth....and a resulting world revival.

Now I could be wrong in my assessment of the "end times" of this age...and the start of the new age coming. But I am going to stick to this view of what is happening in the world and what is going to happen....because I believe in the vision of the Church as the army of God to defeat Satan and his demons in this time and the Church will discipline the nations of the earth and the meek will inherit the earth and we will heal the nations and heal the earth....and then grow endlessly to fill the universe with the Kingdom of God.
